

My first presentation

Let's go

Who am I

I'm a educated, hardworking, and proactive graduate student with a good background in statistics and mathematics. Currently looking for an opportunity to utilize my skills in a challenging working environment.

- ▶ Full Name: Malith Lakshan Premarathna
- ▶ Age : 27 years
- ▶ Birthday : Mar 27 1995
- ▶ Country of Origin: Sri Lanka
- ▶ Current Degree in UNL: MS degree in Statistics
- ▶ Expected Graduate Year : 2024

My favourite Animal is Sri lankan Elephant. The Sri Lanka elephant (*Elephas maximus maximus*) is native to Sri Lanka and one of three recognized subspecies of the Asian elephant. In general, Asian elephants are smaller than African elephants and have the highest body point on the head.

Figure: A family of elephants

This is a combination of plots, which i used to check the assumptions of Normality in STAT 821.
